topic is an emotional one for itself.

### Why can't children go to school?

Children cannot go to school because of war, poverty or because there is basically no compulsory schooling in their country. There aren't many possibilities to do anything about it. But there are also other reasons why children cannot go to school. Cases of bullying, fear of school or discrimination have an effect on children. Each

#### **BULLYING IS NOT A SOLUTION TO ONE'S OWN PROBLEMS!!!**

EVERYONE should be aware of what's happening to some children, but many people are unfortunately not. It doesn't matter what you look like because every person is the same but not all people see it that way. Especially children who learn from their parents simply don't know better. If someone is being insulted or getting bullied because of their skin colour, nationality or other reasons many people simply look the other way and do nothing about it. If you are afraid of school, you can't really help it because it's like a disease. It comes upon you easily but it be treated with therapy. When you're in therapy and are doing something about it, it can go away, you just have to talk about your problems and fears.

# **HOW CAN YOU** HELP YOURSELF WHEN YOU **ARE BEING BULLIED?**

If you have a problem with bullying or discrimination, it's good to confide in your parents, friends or teachers and look for a solution. If you don't want to confide in these people there is also a helpline where you can call and talk about your worries and problems. With these possibilities you can help yourself and the bullying will stop. If it doesn't stop you can also change schools, leave all that behind and start all over again with new opportunities.

# **BULLYING BY ADULTS OR TEACHERS**

In the case of bullying and discrimination, there is a big difference between students and teachers. Let's say it's a teacher in which case you should report the teacher and take action against him/ her because YOU are definitely not the first victim. Most people keep quiet about something like this, then it can happen anywhere, to anyone including adults.
